

## **Monthly Events**

Deep Roots works with children, who are disconnected through homelessness or other similar marginalization. We are looking for groups to help with our Monthly Events. This program brings children who are or have been homeless together from Cecil County, Delaware, and Clairvaux Farm as a community. These community events provide educational and fun activities as well as social interaction for the children.

We can provide an orientation session to familiarize you with our program.

### **Duties:**

- Help set up and break down the event (if necessary).
- Help chaperone and manage the children.
- Have fun!

### **Qualifications:**

- Enjoy interacting with children.
- Energetic, enthusiastic, and patient.
- Responsible and reliable.

### **Benefits:**

- Meet new people and gain new experiences.
- A sense of pride and accomplishment for helping those less fortunate.
- Giving back to your community.
- Ending homelessness, one child at a time.
